360 Easy-to-Swallow Capsules

Andrew Lessman's IRON PLUS is an all-natural, 100% pure amino acid chelated Iron supplement. Iron is an essential mineral which cannot be produced by your body and must be obtained from your diet or as part of a nutritional supplement. The **Iron Plus** unique additive-free formula delivers Iron in its two most active amino acid chelated forms: Glycinate and Aspartate. The Iron Glycinate and Iron Aspartate in this product are also combined with our specially profiled blend of amino acids, plus Vitamin C. Vitamin C has been shown to significantly increase Iron absorption.

This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
