

SUPER JOINT CLEANSE™ CAPSULES

SUGGESTED USE: As a dietary supplement, take 4 capsules three times daily. May be used regularly or one bottle every 5 months as part of the Total Body Cleansing System.

As we age, the body's natural ability to repair cartilage can decrease. Free radical damage can also affect proper joint function. **Super Joint Cleanse*** may help **support normal joint function.***

The Total Body Cleansing System is designed to allow the body to **focus specifically** on one targeted cleanse at a time. This allows the body to **process the product more efficiently** and may help you **gain significant benefits** from your cleansing regimen.*
