

Sylvan Wellness Red Yeast Rice is produced by Sylvan Bio, Inc., the only U.S. producer of red yeast rice. This product is 100% grown, produced and bottled in the United States. Every batch is rigorously tested for consistency and quality. Red Yeast Rice is designed to be used by adults to help maintain healthy cholesterol levels, in combination with a healthy lifestyle.

WARNING: Do not use if you are pregnant, may become pregnant, breastfeeding, or under the age of twenty. Individuals with liver disease or those currently taking statins or other medications should consult with a licensed healthcare practitioner prior to use. Should not be taken in combination with grapefruit products. This product contains a chemical known to the State of California to cause birth defects or other reproductive harm.

This product was bottled according to the Natural Products Association's Good Manufacturing Practices (GMP).
