

Product No. 9120 Do not accept if seal is broken. Keep out of the reach of children. Shake well before use. Refrigerate after opening. Take only as directed. Do not exceed recommended dose.

Aloe Vera is a unique species of succulent plant that contains beneficial properties, which have long been used to support the body's health and well-being. These unique elements offer a great deal of support to the digestive and immune systems. It has also been suggested in recent research that Aloe Vera supports skin health, and supports vitamin C and E utilization. Aloe is also known for its content of polysaccharides such as mannose. Country Life's Realfood Organics™ Liquid Aloe Vera + uses ACTIValue™ inner fillet, which is processed using the QMatrix process, a low heat process that protects the valuable nutrients and elements held within the aloe vera plant. The inner fillet portion of the aloe vera plant is important, as it does not contain components such as aloin and emodin, which could contribute to diarrhea.

Realfood Organics™ high quality Liquid Aloe Vera + combines Aloe Vera with other herbs such as ginger, peppermint, and turmeric, which support digestive health and provide powerful antioxidant components. Also included are the herbs burdock root, sheep sorrel, slippery elm, and turkey rhubarb root.

Country Life's Realfood Organics™ Liquid Aloe Vera + is designed to support digestive and immune health as well as many other bodily functions. This formula is designed to be taken every day as a whole body tonic for better health and well-being.

- Supports healthy digestive function
- Supports immune health
- Supports vitamin utilization
- Supports beautiful, healthy skin from the inside out**

No: Yeast, wheat, soy, gluten, milk, starch, artificial colors, artificial flavors or artificial sweeteners.

See container for "Lot No." and "Best by" date.

WARNING: Not for use by pregnant or lactating women. If you have an allergy to any botanical product, are taking medications, or are planning surgery, consult your doctor before use. If any adverse reactions occur, stop taking the product and consult your doctor.

NOTICE: This product contains turkey rhubarb root. Read and follow directions carefully. Do not use if you have or develop diarrhea, loose stools, or abdominal pain because turkey rhubarb root may worsen these conditions and be harmful to your health. Consult your physician if you have frequent diarrhea or if you are pregnant, nursing, taking medication, or have a medical condition.
