Benefits

Heart*

Wellness*

Nutrition Information: Coenzyme Q-10 is a powerful antioxidant that is a necessary nutrient for cell function in the body and has been shown in clinical research to have heart health benefits.*

Statins (cholesterol-lowering drugs) reduce the natural production of Co Q-10. Statin-induced Co Q-10 deficiency can be prevented with supplemental Co Q-10. Coenzyme Q-10 is not intended to serve as a replacement for statin therapy, nor should you discontinue taking any prescribed medications while supplementing with Coenzyme Q-10.*

Consult your healthcare practitioner.
