- ACHIEVE LONG LASTING "ROADMAP VASCULARITY"*
- TRAIN LONGER & HARDER THAN EVER BEFORE WITH INCREASED STRENGTH, POWER & ENDURANCE*
- CRITICAL NUTRIENTS ADDED TO KEEP YOU IN A MUSCLE BUILDING STATE*
- STIMULANT FREE*

THE SCIENCE OF THE PUMP

"The Pump": Achieved when your muscles are hyper-saturated with extra oxygen and critical nutrients due to a substantial increase in blood flow. Maximizing Nitric Oxide levels is critical to this process, but increasing blood flow to "GIANT PUMP" proportions can only be achieved through a unique combination of pathways. This multi-faceted approach literally forces your muscles to increase in size and grow. And the more size your muscles have, the more "energy" or strength they can exert while you train.

*Adding critical nutrients like amino acids, vitamins and minerals along with allowing more oxygen to your muscles, GIANT PUMP gears your body for Skin Tearing Pumps with Increases in Strength, Power and Endurance. GIANT PUMP's super-potent, open label formula helps you accomplish all of this with ONLY ONE SCOOP and FROM THE VERY FIRST TIME YOU USE IT.**

** Daily Value Not Established
† Percent Daily Values are based on a 2,000 calorie per day diet.

OTHER INGREDIENTS: Calcium Silicate, Malic Acid, Sucralose, Acesulfame Potassium (Ace K), Natural & Artificial Flavors, FD&C Red Lake #40, FD&C Yellow Lake #6.

ALLERGEN INFORMATION: Made in a plant that also processes dairy, egg, peanuts, soy and wheat products.

CAUTION: While intense and dramatic effects will be noticed from your very first training session, Giant Pump should be taken every training day to elicit maximum benefits. When used as part of a proper diet and exercise program, Giant Pump may help individuals reach amazing aesthetic, strength and endurance goals. Consume a minimum of an additional 2 litres of water per day while using this product. Most individuals will begin to feel its effects within 15 minutes of ingestion, others within 15-45 minutes. Giant Pump will elicit its maximum pump, endurance and strength effects within 1-6 hours after ingestion. Individual results may vary.

WARNING: Seek the advice of a licensed health care practitioner/physician before use. Do not use this product if you are pregnant, trying to become pregnant, may be pregnant or are currently nursing. Giant Pump is for use by healthy adults only and is not for use by persons under 18 years of age. If you experience skin rash or other allergic reaction discontinue use and immediately consult a medical doctor. User assumes all risks, liabilities, and consequences related to performance enhancement testing and use of this product. This product contains nitrates. If you use nitrate medications for chest pain or medications for erectile dysfunction you MUST consult your physician before using this product. **KEEP OUT OF REACH OF CHILDREN.**

Note: Do not store in direct sunlight, store in a cool, dry place with the lid on the can when not in use. Due to the hygroscopic nature of this product, clumping may occur. This does not affect the efficacy or safety of the product and gentle shaking of the product usually will disperse this effect.
