

Chromium supports healthy insulin function and healthy blood sugar levels trending toward normal range and modulates cell signaling and markers for healthy insulin function*

The NutriGold Difference

- The ingredient in Chromium GOLD is clinically shown to be twice as effective as chromium picolinate in managing insulin function and supporting healthy glucose balance (Published, randomized, double-blind, placebo-controlled, 90-subject study).
- Encapsulated in the USA exceeding cGMP standards
- Purity and potency verified by third-party labs
- Verified free of seven common allergens
- Premium quality without the premium price tag

Caution: Please consult your healthcare provider before taking this supplement if you are pregnant, breastfeeding, and/or taking any OTC or prescription medications. Store in a cool, dry place. Keep out of the reach of children.
