

DIRECTIONS: Mix one scoop (31g) in 8 - 8 oz of cold water, or beverage of your choice, and consume.

TIP: Adjust amount of fluid ounces according to thickness and flavor desired.

SUGGESTED USE: Use regularly as a snack, before and/or after resistance training, or as an occasional meal replacement.

Consult your physician prior to use, as individual needs may vary. Individuals taking medication should discuss potential interactions with their physician. Do not use if tamper seal is damaged.

- Free of Genetically-Engineered Hormones
- Grass-Fed
- Sweetened with Stevia

Cenege[®] ELITE Performance Whey Protein is a breakthrough in protein formula. Cenege[®] provides a pure source of whey protein, free of genetically-engineered hormones (BST and rBGH), artificial colors, and artificial sweeteners.

The inclusion of protein supplementation is shown to be a safe and effective component of an exercise program - supporting recovery, immune function, and the growth and preservation of lean body mass - in healthy, exercising individuals.*

†This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

STORAGE: Keep tightly closed in a cool, dry place.

DOES NOT CONTAIN: Wheat, gluten, yeast, soy, fish, shellfish, peanuts, tree nuts, egg, artificial colors, artificial sweeteners, or artificial preservatives.

	Cenege [®] ELITE Performance Whey	Soy-Based Formula	Cenege [®] ELITE Performance Whey Superiority
Biological Value (BV)	154	74	40%
Protein Equivalency	20 grams (one serving)	38 grams (two servings)	The BV of bovine whey is 40% greater than that of soy protein. As a result, 38 grams (two servings) of the soy formula would be required to equal the amino acid requirement of just 20 grams (one serving) of Cenege [®] ELITE Performance Whey.
Source of Protein	Imported New Zealand	Domestic United States	The New Zealand MAI imposes the most stringent environmental requirements on New Zealand farmers.
Naturally Occurring Immunoglobulins	2 grams	0 grams	Support the immune system and intestinal function.†
