

Cenegenics ELITE Performance EstroFreeze is a hormonal support supplement that contains natural plant extracts to support the body's process of healthy hormonal activity. In cases of excessive estrogen production, men and women can have serious health consequences. EstroFreeze can support the body's ability to manage increased estrogen levels, naturally.[†]

When used in conjunction with **Cenegenics Muscle Formula** and **Cenegenics ELITE Performance Natural Testosterone Formula**, additional benefits such as improvements in muscle strength and muscle mass may occur.[†]

DIRECTIONS: As a dietary supplement, take two capsules daily, or as directed by a physician.

Children, pregnant or lactating women, and individuals using blood thinners should consult their physician prior to use. Do not use if tamper seal is damaged.
