

The **CardioBALANCE** heart care formula—nourishment for every beat of your heart.

Provide **nourishment for cardiovascular health** through a unique herbal vitamin and amino acid blend.

Help **maintain homocysteine levels** that are already within normal range.

Include **folate and L-arginine**, which is thought to increase nitric oxide production—essential in maintaining **blood vessel health**—as well as **CoQ10**, which is often depleted by cholesterol-lowering drugs.

Heart Care Formula

Our CardioBALANCE capsules provide a unique formula for cardiovascular health, including N-acetyl-L-cysteine, taurine, alpha-lipoic acid, L-arginine and CoQ10. They also include magnesium, which is necessary for normal protein synthesis, and folate, which is essential in maintaining blood vessel health. A daily serving of CardioBALANCE capsules also supplies 100% or more of the daily value of important nutrients such as vitamin C and vitamin B₆.
