

Caprotein™ is a premium quality protein powder produced from goat milk. It contains the complete full spectrum of amino acids from whey and casein proteins. Caprotein™ is partially predigested (lacto-fermented) which assists digestion and absorption while providing the body with beneficial probiotics and enzymes.

Mt. Capra uses a special patented *Refractance Window®* Drying process to capture our whole foods at their nutritional peak condition. Mt. Capra goats are free range and are not fed feeds containing herbicides, pesticides, hormones or antibiotics.

Suggested Directions:

Take one level tablespoon twice a day with 8 oz. of water, juice or your favorite non-carbonated beverage. Blend or shake vigorously. Try adding Caprotein™ to your smoothies, yogurt, hot cereals, etc.... Great for children!

Caution: All dietary supplements should be used responsibly. Please consult your healthcare provider if you intend to use this product and you are pregnant, nursing or under medical supervision.

While it is not necessary to refrigerate this product please store in a cool, dry place. There may be some settling in this container during shipping. No chemical or preservatives added.

These statements have not been evaluated by the FDA.

This product is not intended to diagnose, treat, cure or prevent any disease.
