

Green Coffee Bean Extract supports a slimming effect, increase in the lean mass to fat mass ratio, reduced intestinal glucose absorption and reduction in the rate of liver glycogenolysis, which helps induce the use of fat as a source of energy*

The NutriGold Difference

- High quality, 100% naturally decaffeinated Green Coffee bean extract
- Encapsulated in the USA exceeding cGMP standards
- Purity and potency verified by third-party labs
- Verified free of seven common allergens
- Premium quality without the premium price tag

Caution: Please consult your healthcare provider before taking this supplement if you are pregnant, breastfeeding, and/or taking any OTC or prescription medications. Store in a cool, dry place. Keep out of the reach of children.
