

Sourced from sustainable, wild-caught, deep ocean fish in pristine cold waters off the coast of Alaska, purified to International Fish Oil Standards, concentrated to pharmaceutical grade high levels of Omega-3s, and manufactured in USA without harmful additives, NutriGold's fish oils are the TRUE Gold Standard in fish oil supplements.

The NutriGold Difference

- Advanced molecular distillation to remove heavy metals (mercury), Dioxins, and PCBs
- Sourced, purified and manufactured in the USA
- Made without harmful additives, fillers, and binders
- Purity and potency verified by third-party labs
- Verified free of seven common allergens
- Premium quality without the premium price tag
- The seafood in this product has met the MSC's global standard for sustainability. www.msc.org

Caution: Please consult your healthcare provider before taking this supplement if you are pregnant, breastfeeding, and/or taking any OTC or prescription medications. Store in a cool, dry place. Keep out of the reach of children.
