

CURICA®
TURMERIC

How Curica Works

Curica® Turmeric contains a unique, bioavailable **curcuminoid** complex that relieves occasional pain due to overexertion, strain or exercise.*

Superior Absorption

Curica Turmeric **curcuminoids** are easier for your body to absorb and more bioavailable than those from regular turmeric powders/extracts.

Patented Technology

- Superior Absorption
- Maximized Bioavailability
- Optimized Effectiveness

Curica® Turmeric utilizes a patented colloidal dispersion technology that dramatically improves curcuminoid absorption and bioavailability.

- 1 To start, turmeric extract is micronized into tiny particles
- 2 Next, turmeric extract is micro-encapsulated with plant starch
- 3 Turmeric extract is now easily dispersible in solution
- 4 Curcuminoids are now more absorbable and bioavailable
