

How Curica® Turmeric Drops Work

Curica Turmeric Drops contain a unique, bioavailable **curcuminoid** complex that relieves occasional pain due to overexertion, strain or exercise.*

Recommendation: Take 2 mL twice daily, or as directed by a healthcare professional. Take directly or add to water/beverages. If pregnant, nursing or taking any medications, consult a healthcare professional before use.

CURICA®
TURMERIC

Patented Technology

- Superior Absorption
- Maximized Bioavailability
- Optimized Effectiveness

Curica® Turmeric Drops utilize a patented colloidal dispersion technology that dramatically improves curcuminoid absorption and bioavailability.

1

To start, turmeric extract is micronized into tiny particles

2

Next, turmeric extract is microencapsulated with plant starch

3

Turmeric extract is now easily dispersible in solution

4

Curcuminoids are now more absorbable and bioavailable
