Discussion: The Calcium and Magnesium in this product are bonded or chelated with natural citric acid to form Calcium Citrate and Magnesium Citrate. This formula combines high-potency natural source D-3 Cholecalciferol with a clinically supported serving of K-2 Menaquinone-7 (MK-7) from natural source natto. They are intended to provide nutritive support for healthy bones and a well-functioning cardiovascular system. A special base of herbs has been included for additional nutritive support.
