TEACRINE

Caffeine Warning: The recommended serving of this product contains approximately 320mgs of caffeine which is as much caffeine as 4 cups of coffee. Do not consume caffeine or synephrine from other sources, including but not limited to coffee, tea, soda and other dietary supplements or medications containing phenylephrine, ephedrine, pseudoephedrine, caffeine or other stimulants. Too much caffeine may cause nervousness, irritability, sleeplessness, and occasionally rapid heartbeat. Discontinue use if you experience dizziness, severe headache, rapid heartbeat or shortness of breath.
