# Push past your plateaus.

Lineaslim® Metabolism Activator is a unique herbal blend that formulated with key ingredients that have been shown to enhance the metabolism for optimal calorie burning and help increase energy levels during extended periods of calorie reduction\*.

The best weight loss programs are based on a healthy, balanced diet and moderate exercise to produce gradual weight loss. However, the body can adjust and adapt to changes over time, which can result in a "weight loss plateau".

Lineaslim® Metabolism Activator offers nutritional support to help you stimulate and reset your metabolism to keep it in high gear for greater calorie burning, and to aid your body's natural processes for cellular energy production\*.
