NUTRIZYME[™]

Dietary Supplement

450 Enteric Coated Tablets

Suggested Use: Take 5 to 10 tablets 2 to 3 times daily, 1 hour before or 2 hours after each meal, or as directed by your Health Care Professional.

Nutrizyme is a specially formulated proteolytic enzyme formula. Since enzymes are vital for every action in the body, daily use can help maintain metabolic balance. They promote a healthy heart and reduce joint pain as well as support the immune system and aid in detoxification. In addition, Nutrizyme supports healing after trauma or surgery and reduces fibrin and debris in the blood.
