

NEW HYPERSHOCK® RAGE - One workout and you'll be hooked!

HYPERSHOCK® RAGE is the strongest and most effective formula that we've produced to date.[†] Inarguably the best on the market![†] Once consumed, it takes less than 10 minutes to notice a furious desire to rage through a workout![†] In fact, New HyperShock Rage is so effective at producing nitric oxide that many of our beta testers reported "eye-popping vascularity" and "ridiculous pumps!"[†] Plus, we've cornered the energy market by being the first and only company to use pure Pharmaceutical Time Released Caffeine ensuring tons of energy during a workout and for hours after so there are no crash and burn side effects.[†] All it takes is one workout and you'll be hooked!

Contents may have settled. Before first use, open container and remove scooper. Securely close container, turn upside down and shake vigorously for approx. five seconds, or until contents are 100% free flowing. Product is now ready for use. Follow dosing chart below.

DIRECTIONS FOR USE: As a dietary supplement, mix 1-3 scoops with 6-18 oz water and drink 10 minutes before exercising, on an empty stomach. To assess your tolerance, start with ½ the recommended serving size for your first few workouts. Stack with **AMINO2™** during your workout & **AFTERSHOCK™** immediately post workout for best results.

RECOMMENDED DOSING CHART: **MEN:** Up to 155lbs: 1-1½ scoops • 155 to 225lbs: 1½ - 2 scoops • 225 to 275lbs: 2 - 2½ scoops • 275lbs and above: 3 scoops MAX! **WOMEN:** Up to 115lbs: ½ to 1 scoop • 115lbs to 155lbs: 1 to 1½ scoops • 155lbs and above: 1½ to 2 scoops MAX!

CAUTION: This product contains caffeine. Follow dosing chart before first use. Do not consume more than the recommended serving size. Do not use with any other stimulants or caffeinated products. Do not use within 6 hours of bedtime.
