*This product is endorsed by the GNC Medical Advisory Board. This team of esteemed physicians utilizes their extensive medical knowledge and experience to aid in the creation of GNC premium products, helping you to achieve optimal health through comprehensive nutritional support so you can live your best life!

*In a randomized, double-blind crossover study of 13 healthy volunteers, subjects took 20 mg of lutein in the form of Lutemax 2020™ or regular lutein on two occasions. Lutemax 2020™ resulted in statistically significant higher blood concentration of lutein over the first 24 hour period in subjects compared to regular lutein.

GNC QUALITY COMMITMENT

For more than 79 years, GNC has been the leader in the development of superior nutritional supplements. Our products are produced using only fresh, high-quality ingredients and are manufactured under the strictest quality controls.

GNC GUARANTEE

If you are not 100% completely satisfied, return the unused portion of the product with your receipt to a GNC store within 30 days. Our trained sales staff will either refund your purchase price or, if you prefer, assist you in finding a replacement product to help you LIVE WELL.

WOMEN'S ULTRA MEGA® 50 PLUS MINI

GNC Women's Ultra Mega® 50 Plus Mini is a premium multivitamin with 32 important nutrients that provide best-in-class support for overall wellness and a woman's special health needs – all in just two tiny, easy-to-swallow tablets.* 55% smaller than our Women's Ultra Mega® One Daily multivitamin, this potent formula is composed of special blends that support your everyday efforts to look your best and maintain a healthy lifestyle.*

Advanced Nutritional Support

This formula includes at least 100% daily value of 19 vitamins and minerals. A full complement of essential B vitamins plays an important role in energy production and assists with the metabolism of fats, carbohydrates and protein.*

Brain Health Blend

Choline is an essential nutrient that functions as a precursor molecule for crucial brain chemicals known as neurotransmitters that control memory and other cognitive functions. This formula includes an additional central nervous system supporting 2.5 mg of inositol, which helps regulate nerve impulses.*

Eye Health Blend

Includes a superior source of eye supporting lutein, Lutemax 2020™, shown to be 268% more bioavailable³ than regular lutein. Also includes zeaxanthin, a powerful carotenoid antioxidant that helps protect cells from the damaging effects of free radicals that can contribute to cell aging.*

Urinary Tract Women's Health Blend

This targeted blend combines boron with cranberry to support a woman's urinary health.*

Skin Structure & Antioxidant Support

Collagen is the major protein found in skin, hair and nails and is today's answer to support beauty from within.* This elite formula also includes 2 mg of silica to provide additional support for improvements in the health and appearance of skin, hair and nails.*

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
