TOTAL LEAN™ ADVANCED BODY
TONING SYSTEM

Start a new phase in your weight management journey with this next-level, weight-loss innovation designed specifically for those who strive for body tone and definition. With fat metabolism and body sculpting at the core, this comprehensive approach includes targeted solutions to help you transform common weight loss challenges into results that you can see and feel. These research-based solutions are designed by our weight management experts to provide you with personalized supplement and meal plans, plus body-defining exercise regimens. Get started now with the enclosed overview and visit GNC.com/TotalLeanAdvanced today.

Capsimax® and Lutemax 2020™ are trademarks of OmniActive Health Technologies.

Sunfiber® is a registered trademark of Taiyo International, Inc. Use of Sunfiber® is protected by US Trademark Registration No. 2,930,937.

BioCore® Edge is a trademark of National Enzyme Company.

^In a double-blind, randomized, placebo-controlled, cross-over study, 25 subjects exercised on a treadmill on two occasions. On one occasion, the subjects took the thermogenic blend before exercise and on the second occasion, they took a placebo. When the subjects took the thermogenic blend, they burned three times more calories before, 3% more calories during and 12 times more calories after exercise compared to when they took the placebo.

To get your own personalized meal and exercise program, visit GNC.com/TotalLeanAdvanced today.

DIRECTIONS FOR USE

First Time Users

As individual tolerances may vary, you may begin by taking 1 scoop mixed in 4 fl. oz. of cold water for 5-7 days, and then increase to the suggested 2 scoop dose once your level of comfort has been assessed.

For Maximum
Results

Add two scoops (46.71 g) to 8 fl. oz. of cold water, mix well, and enjoy 30 minutes prior to exercise. Do not take near bedtime.
