

This herbal cleansing formula is designed without synthetic nutrients to support and maintain healthy liver function. A unique combination of clinically studied herbs and superfoods -milk thistle, artichoke, schisandra berry, broccoli sprouts, turmeric, cilantro, and chlorella- enhance both phase 1 and phase 2 liver detoxification. Use as a daily protective boost from excess toxin exposure or as a part of a clean diet and detoxification program.†

This product is manufactured in a facility that processes milk, egg, soy, tree nuts, fish, and shellfish.
