KIDS CUBES
YUMMY VANILLA

UP4

THE SCIENCE BEHIND UP4 KIDS CUBES

UP4 KIDS CUBES are specifically formulated to fit the needs of a growing gut. We started our formulation with our patented probiotic super strain *Lactobacillus acidophilus* DDS®-1, which has over 30 years of clinical research, to provide children with vital immune and digestive support*. We then added 800 IU of Vitamin D to support bone health in growing children. The combination of probiotics and Vitamin D makes KIDS CUBES the deliciously perfect addition to your kid's daily routine.

UP4 KIDS CUBES are formulated with *Lactobacillus acidophilus* DDS®-1 and Vitamin D to:

- Promote a healthy immune system*
- Support digestive health and comfort*
- Support bone health*

Laboratory tested to meet strict quality control standards for potency and purity. Potency guaranteed at time of expiration.

SUPPLEMENT FACTS
