

Directions for use: Add 1 level scoop (12g) of AMINO2® to 8oz-10oz of water and stir/shake powder into solution. LET STAND FOR 30-60 SECONDS. Stir again until mixture has dissolved. For best results, take AMINO2® immediately before and after exercising. On strenuous training days, AMINO2® can also be consumed during your workout. On non-training days, take 1 serving upon waking.

AMINO2® with INTRAVENOS™

Cutting Edge BCAA, Amino Acid & NO2 Symbiote

AMINO2® Utilizes Advanced Peptide Bonding Technology to Deliver:

▶ **250% Better Leucine Absorption, and faster delivery of nutrients, compared to regular L-leucine.**†

▶ **An Ideal 5:1:1 BCAA Ratio of Leucine : Isoleucine : Valine.**†

▶ **All 9 Essential Amino Acids, which are absolutely critical for muscle synthesis & recovery.**†

▶ **Enriched Bioactive Peptides, shown to increase NO2 levels as much as 950%.**†

Demand More From Your Amino Acids & Expect Better Results with AMINO2®†
