

**Suggested Usage:** Take 1 capsule 1 to 2 times daily, preferably with food.

Rutin is a bioflavonoid related to quercetin and hesperidin found in both citrus and non-citrus fruits, as well as other foods such as buckwheat. Rutin is a powerful combatant of free radicals and is best known for its role in vascular health.\* Rutin helps to maintain the structural integrity of blood vessels, such as veins and capillaries.\* Scientific studies suggest that it may help to support vascular function and promote healthy circulation.\* NOW® Rutin is vegetarian and derived from a non-citrus source.
