

BOOST MUSCLE PUMPS, VASCULARITY AND HARDNESS!*

A2 Pump™ 100% Pure Arginine Ethyl Ester HCl

A2 Pump™ is an esterified form of arginine ($C_{15}H_{22}N_4O_3HCl$) designed to penetrate the lipid membranes of muscle cells where its unique molecular structure increases nitric oxide production resulting in full, hard, pumped muscles. A2 Pump™ works at only a fraction of the dosage required with other forms of arginine. The effects of A2 Pump™ are noticeable within just a few days of use.*

- Increase Muscle Pumps*
- Increase Vascularity*
- Increase Muscle Hardness*

A2 PUMP

100% Arginine Ethyl Ester HCl

LABRADA
NUTRITION

120 Capsules • Dietary Supplement

Directions:

Take 3 capsules twice daily. On training days, take one serving (3 capsules) with 12 ounces of water 15 minutes prior to training and one serving (3 capsules) within 30 minutes after training.

On non-training days, take one serving (3 capsules) in the A.M. and another serving in the P.M.

A2 Pump™ can be taken on an empty stomach or with a meal.

Warning: Individuals with existing medical conditions should consult with their health care practitioner prior to using any product containing arginine.

Store in a cool dry place. Protect from heat, light, and moisture.
