WHAT IS AMINO TRĒN®

AMINO TREN® is an amino acid recovery support formula consisting of an array of amino acids including Free Form Amino Acids (FFAA) and Beta-Alanine. When taken as a pre-workout it can help boost training performance and nutrient delivery. When taken post-workout AMINO TREN® can help accelerate muscle recovery and promote muscle protein synthesis. AMINO TREN® can be highly effective when taken as both a PRE and POST workout.*

SUGGESTED USE: Adults, mix 1 serving (1 scoop) with 4 to 6 ounces of water 15 minutes prior to training. On intense training days additional servings (scoops) can be used during and post exercise. On non-training days continue using 1-2 servings (1-2 scoops) to help promote muscle performance.*

WARNING: Not intended for individuals under the age of 18. Always consult your physician before using this or any other dietary supplement. DO NOT USE IF PREGNANT OR NURSING. In the event of any adverse reaction discontinue use immediately and consult a physician. STORE IN A COOL DRY PLACE. KEEP OUT OF REACH OF CHILDREN.

NOTE: Contents may settle during shipping. SHAKE CONTAINER BEFORE USE. Moisture and humidity can cause clumping and discoloration. Stir contents before each use and SEAL IMMEDIATELY AFTER!

Supplement Facts

Serving Size 1 Scoop (5.1g)
Servings Per Container 32

	Amount Per Serving	% DV**
Vitamin B6 (As Pyridoxine)	2 mg	100%
