

DIRECTIONS FOR USE: Take 2 tablets of FENFAST® 375 with 8oz of water 2 times daily, approximately 30 minutes before meals. This product is intended to be used along with a calorie-reduced diet and regular exercise program. Do not take within 5 hours of sleep.

MISSED DOSE: If you miss a dose, take the next as recommended. Do not double the next dose.

CAUTION: READ ENTIRE LABEL PRIOR TO USE. Do not use this product if you are pregnant or nursing, trying to become pregnant, or are under the age of 18. Consult a physician before using this product if you have, or have a family history of Phenylketonuria. This product is not intended for people with high blood pressure, cardiac arrhythmias, heart, liver, kidney, or thyroid disease, pheochromocytoma, diabetes, asthma, recurrent headaches, anemia, nervousness, anxiety, depression or other psychiatric condition, peptic ulcers, Parkinson's disease, glaucoma, difficulty in urinating, prostate enlargement, or seizure disorder. Do not use this product if you are using a monoamine oxidase inhibitor (MAOI), anticoagulant or any other prescription medication. Discontinue use and consult a physician immediately if you experience rapid heartbeat, dizziness, severe headache, shortness of breath, or other similar symptoms. Improper use of this product may be hazardous to a person's health. Do not exceed the recommended dose.
