\*TrimThin™ SR is a pharmaceutical quality, sustained release weight loss aid designed to deliver effects similar to prescription weight loss medications.

Do not use if seal under cap is torn, broken or missing.

Store at controlled room temperature 15-30°C (59-86°F). Protect from moisture. Keep tightly closed.

KEEP THIS AND ALL DRUGS OUT OF THE REACH OF CHILDREN

Manufactured in a cGMP facility.

**DIRECTIONS FOR USE:** Take one tablet of TrimThin™ SR with 8oz of water first thing in the morning and take one tablet with 8oz of water 5 hours later. Take each dose at least 30 minutes before eating. Do not exceed two tablets in a 24 hour period. This product is intended to be used along with a calorie-reduced diet and regular exercise program. Do not take within 5 hours of sleep.

**MISSED DOSE:** If you miss a dose, take the next as recommended. Do not double the next dose.

**CAUTION: READ ENTIRE LABEL PRIOR TO USE.** Do not exceed the recommended dose. This product is not intended for pregnant or nursing mothers, children under the age of 18, or individuals taking prescription drugs. Consult a Physician before using this product if you have, or have a family history of, including but not limited to high blood pressure, cardiac arrhythmias, heart, liver, kidney, thyroid, or psychiatric disease, pheochromocytoma, diabetes, asthma, recurrent headaches, anemia, bleeding disorders, nervousness, anxiety, depression or other psychiatric condition, peptic ulcers, Parkinson's disease, glaucoma, difficulty in urinating, prostate enlargement, or seizure disorder or if you are using any other dietary supplement or over-the-counter drug containing ephedrine, pseudo-ephedrine, or phenylpropanolamine (ingredients found in certain allergy, asthma, cough or cold, and weight control products). Do not use this product if you are using a monoamine oxidase inhibitor (MAOI), anticoagulant or antiplatelet medications, or any other prescription drug. Discontinue use and call a physician or licensed qualified health care professional immediately if you experience rapid heartbeat, dizziness, severe headache, shortness of breath or other similar symptoms. Individuals who consume caffeine with this product may experience serious adverse health effects and those that are sensitive to the effects of caffeine should consult a Physician before consuming this product. Improper use of this product may be hazardous to a person's health.
