

# GREEN energy TEA FUSION™

... is Your **Healthiest Choice**  
in **Energy Drinks!**

... is an instantly refreshing, 100% natural energy drink mix that can be conveniently poured, on the go, right into your water bottle. It's perfect for people who want energy from all natural, good-for-you ingredients. **Just Rip. Pour. Go!™**

... provides an organic fusion of healthful teas. Organic Japanese Green Tea and South American Yerba Maté are believed to increase the break down of sugars and fats in the body into energy. **Guaraná** has been used for many years in South American energy drinks.\*

... provides 100 mg of the metabolism booster EGCG (*Epigallocatechin gallate* / Green Tea **Catechin**) per packet. Many of the potential health benefits of Green Tea are attributed to the **catechins**, natural **polyphenols** that are powerful antioxidants. EGCG is the most potent of the green tea **catechins** known to increase metabolism.\*

**To Support a Weight Loss Program:** Consume one packet in a 16.9 oz bottle of water thirty minutes before each meal three times a day. If you are sensitive to Caffeine, the third serving can be taken mid afternoon to avoid sleep difficulties.\*

**Water's New  
Best Friend!™**

With each season's harvest, the taste of the pure and natural ingredients in Green Tea Energy Fusion™ may vary slightly.

## GREEN energy TEA FUSION™

... is more than just tea. It is a fusion of healthy, all natural and energizing herbs and extracts from around the globe. It is scientifically formulated to support metabolism\*\* and to give you the fuel you need to energize your body & refresh your senses.\*

• **Organic Japanese Green Tea** - The health promoting benefits of green tea have been known in Asia for centuries. New scientific reports of its benefits as an antioxidant & metabolism booster are reported almost weekly in the Western press.\*

• **Organic Aloe Vera (100:1 concentrate)** - Called the "Plant of Immortality" by the ancient Egyptians, Aloe has been shown in some scientific studies to help the liver convert fats into energy.\*

• **Organic Guaraná Seed Extract** - Rich in natural compounds that energize the body, Guaraná has long been a popular ingredient in beverages in South America.\*

• **EGCG** - 100 mg per packet has been added to this energizing formula to maximize metabolism support.\*

• **Organic Yerba Maté** - Indigenous to South America, this herb has traditionally been used as a brewed drink for mental & physical fatigue.\*

☆ **A combination of 90 mg of EGCG and 50 mg of Caffeine 3 times daily have shown metabolism boosting effects in clinical studies.**
