

Nutritional Support for Healthy Hair Structure

Women's Ultra Hair® Plus provides select, standardized botanical extracts to nutritionally support a woman's unique needs. This all-natural combination of vitamins, minerals and other key nutrients works to gently reinforce the vibrant resiliency, bounce and luster of any hair type. Added MSM works at the cellular level to help establish and maintain architectural integrity.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

In a natural base of unsaturated fatty acids (from sunflower oil), rice bran and spirulina.
