

**Nutritional Support for
Free-Radical Defense and Overall Well-Being.***

Nature's Plus® Ageloss® combines alpha lipoic acid, N-acetyl cysteine (NAC) and GliSODin® superoxide dismutase (SOD) to neutralize free radicals and combat the effects of aging. GliSODin® is the world's most bioavailable form of SOD, the body's master antioxidant defense enzyme.*

Every **Nature's Plus® Ageloss®** tablet employs a revolutionary bi-layer delivery system for targeted release of specific nutrients. The rapid-release layer provides MSM, copper and zinc. Alpha lipoic acid, GliSODin® and NAC are in the slow-release layer for optimal absorption.

Free from artificial colors and preservatives.

DIRECTIONS: As a dietary supplement, take two bi-layered tablets once daily.

Caution: Do not take this product if you are allergic to wheat or gluten.

KEEP TIGHTLY CLOSED IN A COOL, DRY PLACE.

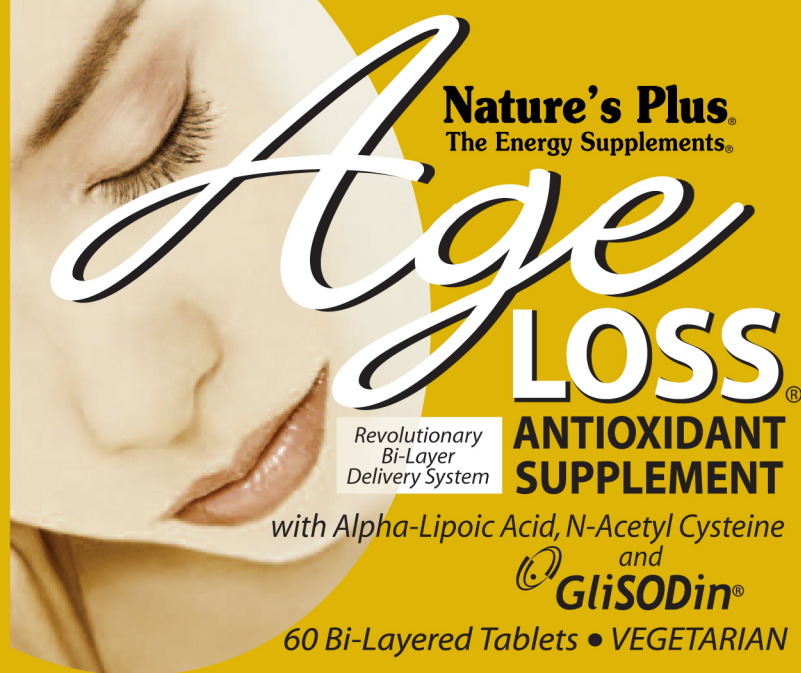

KEEP OUT OF REACH OF CHILDREN.
