

ProBiopure provides natural defense against episodic digestive upsets such as constipation, diarrhea, abdominal discomfort, gas and bloating.*

ProbioPure contains Morinaga BB536 - a proprietary strain of bifidobacterium longum developed by Japan's second largest dairy company. BB536 is one of the world's most researched probiotic strains and the top-selling probiotic ingredient in Japan.

The efficacy of BB536 at a dosage of 5 billion CFU (1 capsule/day) is supported by numerous published human clinical trials.*

BB536 is room-temperature stable and is considered to be one of the most stable and efficacious probiotics in the world.*
