

PROFESSIONAL USE ONLY

Not for resale on third-party websites,
including, but not limited to, Amazon® and eBay®.

DIRECTIONS: Take one capsule two times per day, or as directed by your healthcare practitioner.

Consult your healthcare practitioner prior to use. Individuals taking medication should discuss potential interactions with their healthcare practitioner. Do not use if tamper seal is damaged.

RegeneMax™ provides ch-OSA® (choline-stabilized orthosilicic acid), that helps naturally nourish your body's beauty proteins.* Regular orthosilicic acid is highly unstable, leading it to form polymers. These polymers are too large for the human body to absorb. But the patented "choline stabilization" technology in RegeneMax prevents the polymers from forming, ensuring optimal absorption. RegeneMax has been formulated with clinically proven ch-OSA for your assurance.*
