

Genuine All-Natural OPCs of Original Strength from France

The world-famous term "French Paradox" is about French heart health & longevity related to their culture of grapes and wine, which contain the most powerful anti-aging natural products OPCs (oligomeric proanthocyanidins) as discovered in modern sciences.

Each serving of FrenchGlory® Extra OPC150 contains 150 mg of the finest and the most precious extracts from French grape seeds, French red wine grapes and French maritime pine bark from Southwestern France.

Isotonic formula as an advanced delivery technology maximizes and accelerates the absorption of the nutrients in human bodies, distinguishes this product from other pills and capsules of poor absorption.

It is your body! It is your choice!
