

Nature's Plus® DYNO-MINS® CALCIUM/MAGNESIUM is an exciting, revolutionary formulation offering peak mineral support:

- **DYNO-MINS CALCIUM/MAGNESIUM** supplies highest quality Phytavil essential minerals from pesticide-free, hydroponically grown plants. Unlike other food grown minerals, Phytavil minerals are 100% yeast-free.

- **DYNO-MINS CALCIUM/MAGNESIUM** employs the exclusive Dyno-Mins Dynamic Mineral Transport System. Specific organic transporting agents for each mineral, including aminoate, citrate, aspartate, ascorbate, lysinate and methionate, maximize Phytavil mineral bioavailability and utilization.

- **DYNO-MINS CALCIUM/MAGNESIUM** includes rare earth elements that are critical for overall health and well-being.*

- **DYNO-MINS CALCIUM/MAGNESIUM** contains true organically bound mineral chelates, specially coated with acid-resistant protection for increased absorption in the intestines. Mineral aminoates are brown rice chelates.

- **DYNO-MINS CALCIUM/MAGNESIUM** enhances Phytavil mineral absorption and utilization with FOS (fructooligosaccharides). This all-natural prebiotic promotes the growth of friendly intestinal bacteria and helps to maintain a healthy digestive environment.*

Free from artificial colors and preservatives. Free from the common allergens yeast, wheat, corn, soy and milk.

PRODUCT NO. 36611
