Magnesium Potassium & Bromelain

Fortified with Food Grown
Phytavil Minerals

Dietary Supplement
90 Acid-Resistant Tablets

Nature's Plus® DYNO-MINS® MAGNESIUM, POTASSIUM & BROMELAIN is an exciting, revolutionary formulation offering peak mineral support:

- **DYNO-MINS MAGNESIUM, POTASSIUM & BROMELAIN** supplies highest quality Phytavil minerals from pesticide-free, hydroponically grown plants. Unlike other food grown minerals, Phytavil minerals are 100% yeast-free.
- **DYNO-MINS MAGNESIUM, POTASSIUM & BROMELAIN** employs the exclusive Dyno-Mins Dynamic Mineral Transport System. Specific organic transporting agents for each mineral, including aminoate, citrate, lysinate, ascorbate and aspartate, maximize Phytavil mineral bioavailability and utilization.
- **DYNO-MINS MAGNESIUM, POTASSIUM & BROMELAIN** includes rare earth elements that are critical for overall health and well-being.*
- **DYNO-MINS MAGNESIUM, POTASSIUM & BROMELAIN** contains true organically bound mineral chelates, specially coated with acid-resistant protection for increased absorption in the intestines. Mineral aminoates are brown rice chelates.
- **DYNO-MINS MAGNESIUM, POTASSIUM & BROMELAIN** enhances Phytavil mineral absorption and utilization with FOS (fructooligosaccharides). This all-natural prebiotic promotes the growth of friendly intestinal bacteria and helps to maintain a healthy digestive environment.*
- **DYNO-MINS MAGNESIUM, POTASSIUM & BROMELAIN** is fused with the proteolytic enzyme bromelain for maximum benefit.

Free from artificial colors and preservatives. Free from the common allergens yeast, wheat, soy and milk.

PRODUCT NO. 36721
