

DIRECTIONS: Take one or two softgels one to three times daily, or as directed by your healthcare practitioner.

Consult your healthcare practitioner prior to use. Individuals taking medication should discuss potential interactions with their healthcare practitioner. Do not use if tamper seal is damaged.

OmegaPure 300 EC™ is a molecularly distilled, pure, natural fish oil (triglyceride) providing 300 mg of omega-3 essential fatty acids per softgel. Due to the variation of EPA and DHA content among catches of fish, the amounts of these fatty acids in the oil may vary slightly. Mixed tocopherols are present to maximize freshness.*

Supportive, but not conclusive research shows that consumption of EPA and DHA omega-3 fatty acids may reduce the risk of coronary heart disease.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

STORAGE: Keep tightly closed in a cool, dry place out of reach of children.

DOES NOT CONTAIN: Wheat, gluten, corn, yeast, soy protein, dairy products, shellfish, peanuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, or artificial sweeteners.
