PROFESSIONAL USE ONLY

DIRECTIONS: Consume the contents of one packet daily, or as directed by your healthcare practitioner.

Consult your healthcare practitioner prior to use, especially if you are taking a blood thinner. Do not use if tamper seal is damaged.

ActivEssentials™ with OncoPLEX™ & D3 is a conveniently dose-packaged combination of three formulas that provide comprehensive nutritional support for health and well-being especially when higher vitamin D intake and long-lasting antioxidant support against free radical damage is desirable.*

ActivNutrients without Iron™: A high-quality, hypoallergenic, proprietary multivitamin/mineral blend featuring activated vitamins, including folate as a blend of folic acid and 5-MTHF (5-methyltetrahydrofolate), and patented Albion® chelated mineral complexes in easy-to-swallow vegetable capsules.

OncoPLEX™ & D3: Each capsule provides 2000 IU of vitamin D3 and 15 mg of glucoraphanin from highly concentrated broccoli seed extract, an ingredient found in XYMOGEN's EP formulas OncoPLEX™ and OncoPLEX ES™. Glucoraphanin is the precursor to sulforaphane, and it possesses antioxidant activity that lasts up to 72 hours—significantly longer than the activity of vitamins C, E, or beta-carotene. Glucoraphanin also activates the transcription factor Nrf2, which induces increased synthesis of phase 2 detoxification and antioxidant enzymes. D3 is provided as cholecalciferol, identical to the form in which it is derived in the body from cholesterol and synthesized by sunlight on the skin. D3 has been shown to raise and maintain serum vitamin D and increase storage concentrations of vitamin D better than D2.*

OmegaPure 600 EC™: Is International Fish Oil Standards (IFOS) five-star certified, which assures the highest level of purity, stability, and potency in fish oils. Each fish-gelatin–based softgel provides 600 mg of EPA and DHA. The softgels are covered with a GRAS-certified enteric coating so that they are easy to swallow and the EPA/DHA content is optimally absorbed. EPA and DHA from fish oil promote wellness by supporting cardiovascular health, cytokine balance, joint health, and brain and nervous system function.*

Each packet contains: 2 ActivNutrients without Iron capsules, 1 OncoPLEX & D3 capsule, and 1 OmegaPure 600 EC softgel.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

STORAGE: Keep closed in a cool, dry place out of reach of children.

DOES NOT CONTAIN: Wheat, gluten, yeast, soy protein, dairy products, shellfish, peanuts, tree nuts, egg, artificial colors, artificial sweeteners, or preservatives.
