

8 71149 00197 1

PROFESSIONAL USE ONLY

DIRECTIONS: Pour one level scoop of powder into a tall, empty glass. Add 3 oz of chilled water and lightly stir. Let stand one minute. Add 3 more oz of chilled water and lightly stir. Let stand one minute and drink. Take once daily, or as directed by your healthcare practitioner.

Consult your healthcare practitioner prior to use. Individuals taking medication should discuss potential interactions with their healthcare practitioner. Do not use if tamper seal is damaged.

AngiNOX™ is XYMOGEN's exciting formula based on the latest Nobel Prize-winning research on nitric oxide, a naturally occurring compound in the body. Nitric oxide is an important messenger that signals a variety of responses at the cellular level which are beneficial to circulatory, immune, and nervous system functions. AngiNOX is a refreshing, effervescent powder that offers therapeutic levels of L-arginine and L-citrulline, two amino acids the body uses to make nitric oxide.*
