

**PROFESSIONAL USE ONLY**

Not for resale on Third-Party Websites, including, but not limited to, Amazon® and eBay®.

**DIRECTIONS:** As a dietary supplement for adults, take one 8-capsule packet of OncoMAR™ per day. Best absorbed on an empty stomach, 1 hour before or after food. Consume 2 hours before or after taking any drugs or other dietary supplements.

Consult your healthcare practitioner prior to use. Do not use if tamper seal is damaged. This formula should not be taken during pregnancy or while nursing. Consult with a healthcare professional for recommended usage levels for children, and for guidance on using more than 1 OncoMAR packet per day. Do not consume OncoMAR if you have had an organ or tissue transplant, or if you are hypersensitive to wheat or yeast. This product is not intended to be the sole source of nutrients in the diet. The labeling on this product does not comply with California's Proposition 65. Therefore, this product may not be sold in California.

OncoMAR is made under the supervision of the original inventor of Avemar®, Maté Hidvegi, Ph.D. The development of Avemar fermented wheat germ extract has become the life's work of Dr. Hidvegi. He was inspired to build upon the theories and experiments of Hungarian Nobel Prize winner, Dr. Albert Szent-Gyorgyi. Dr. Hidvegi's patented processes yield a consistently effective standardized extract that has been extensively researched. Avemar has been the subject of over 100 studies in cell lines, with animals and clinical trials, reported in more than 30 articles in medical peer-reviewed journals.\*

Improving on his original patented, fermented wheat germ-processing method, he has now created OncoMAR in vegetarian capsule form— so this unique dietary supplement is easier than ever to take on a daily basis. Improvements include utilizing low temperature freeze-drying, which eliminates the need to use maltodextrin as a stabilizer, and removing the sweetener and flavoring. As a result, OncoMAR contains 99% less stabilizing and flavoring additives, while maintaining the same quantity of Avemar fermented wheat germ actives as used in clinical trials.\*\*

\*\* *Subjects in clinical trials consumed 8.5g per day of Avemar pulvis, consisting of 5.5g Avemar fermented wheat germ actives with 3g maltodextrin, a non-active stabilizer. Each packet of 8 OncoMAR™ capsules contains 5.5g Avemar® fermented wheat germ actives, without maltodextrin.*

**\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

**STORAGE:** Store in a cool dry place, 41-79°F (5-26°C), out of reach of children.

**DOES NOT CONTAIN:** Corn, soy, animal or dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, or preservatives.
