

Suggested Usage: Take 1/4 teaspoon (slightly rounded) 1 to 3 times daily. Mix into orange juice or other strong tasting juices to mask the taste.

Vitamin C is an essential nutrient well known for its vital role in the immune system.* It is a highly effective antioxidant that can protect the body's structures from oxidative damage generated during normal metabolism.* Vitamin C is also necessary for the production of collagen and is therefore important for skin, bone, and joint health.* This product utilizes Calcium Ascorbate, a buffered form of Vitamin C that is bioavailable and non-acidic, and is enhanced with Bioflavonoids, which work synergistically to support Vitamin C utilization.*
