

**DIRECTIONS:** Take two capsules daily, or as directed by your healthcare practitioner. Do not open capsule before consumption. Recommended for short-term use.

Consult your healthcare practitioner prior to use. Individuals taking medication should discuss potential interactions with their healthcare practitioner. Consult your healthcare practitioner if you have uncontrolled hypertension. Do not use if tamper seal is damaged.

**Viragraphis™** features three herbs that have been used traditionally for immune support and stimulation. Contemporary research on these herbs—andrographis, licorice root, and *Isatis indigotica*—confirms the wisdom of their historical use. XYMOGEN's Viragraphis formula may be especially helpful in supporting cytokine balance and respiratory function.\*
