

Cordyceps (*Cordyceps sinensis*) has a very long history of use in traditional Chinese Medicine where it is regarded as the highest quality of remedies. Traditionally used as a longevity and vitality aid, Cordyceps has gained fame for its ability to build energy and increase endurance.* Other research has explored it as an aid for sexual, heart, kidney and lung function.* Super Cordyceps is a hot water concentrated extract of the mycelium enhanced with the immune supportive addition of *D-fraction*.*
