

QUICKMASS® LOADED - RAPID MASS GAIN CATALYST**100%**
QUALITY & PURITY
GUARANTEED

CUSTOM-Engineered MACRONUTRIENT Blends

Commanding size requires scientifically
engineered nutrients built on rock-solid research.**UNIVERSITY RESEARCH-BASED SCIENCE FOR MAXIMUM MASS:** QUICKMASS® packs 1010 MASS-BUILDING CALORIES into every serving in cold water, no milk required! During our 8-week Gold-Standard (double blind, placebo-controlled) study conducted at California State University, test subjects provided the same calorie content as 2 servings of QUICKMASS® per day gained 4.5 times as much fat-free mass and increased chest size by 1 inch.***60 G of 8-STAGE RAPID and SUSTAINED RELEASE PROTEIN:** QUICKMASS® uses a complex of 6 DIFFERENT PROTEINS to BUILD MASS. OCTAPRO™ creates a rapid and sustained delivery of MUSCLE-BUILDING amino acids that work continuously all day to RECOVER and GROW. Power up your MUSCLE PROTEIN SYNTHESIS and FUEL your LEAN MASS GAINS!**COMPLEX LONG-CHAIN POLYMERIZED CARB BLEND:** CARBPLEX™ is critical to providing the fuel your body needs to grow, all day. CARBPLEX™ features its advanced Ultra-High Molecular Weight Polymerized Maltodextrin that absorbs up to 20 times more slowly than sugar providing the ultimate MASS FUEL. Now with AWM2300™ Waxy Maize and Patented DS-2™ Resistant Maltodextrin QUICKMASS® LOADED creates a sustained release, long-term critically important to your MASS GAIN phase!**OMEGA 3/6/9 EFAs, CLA and MCT FORTIFIED:** ESSENTIAL FATTY ACIDS, or EFAs are easily the most nutrient-dense calories you can consume. Now exclusive OMEGA-LIPID™ with OMEGA 3/6/9 fortifies you get a full spectrum of EFAs combined with FAT BURNING MCTs that actually enhance and support the natural production of testosterone.***ACTIVATED ABSORPTION COMPLEX:** Patent Absorption Agents with Enzymatic Nutrient Activators triggering rapid gains in lean body mass. Patented Casein PP® dramatically improves nutrient and Creatine absorption. The result, you absorb the highest quality nutrients efficiently to turn calories into MASS.***AWM 2300™** - is a superior source of carbohydrate fuel. It has an extremely low similarity ratio, meaning it is absorbed and digested very well and with zero sugar and no gluten; it creates zero bloating and no water retention. With a molecular weight over 3000 times greater than dextrose, AWM 2300™ has the ability to pull other notoriously difficult nutrients, such as Creatine, across the intestinal wall with it and increase their absorption.*Fortified with
AWM2300™
POLYMERIZED WAXY MAIZE**GLUTASURE™** - QUICKMASS® LOADED has a full 60g of 60g of Fermented Japanese-Grade Pure L-Glutamine provides recovery after training and enhances the immune system which can be compromised during intense exercise.* The proprietary GLUTASURE™ technology microencapsulates the Glutamine. ALLMAX® uses only the purest raw ingredients through a pharmaceutical grade manufacturing facility. Our pharmaceutical grade Glutamine is not heat or chemically treated. In addition to the over 5 g of naturally occurring Glutamine in QUICKMASS® LOADED, this is a massive dose Mass Gainers everywhere will appreciate!**PHARMAFUSE™** - Truly a pure 100% pharmaceutical grade Creatine. With impurities common to other Creatine forms below detectable levels, PHARMAFUSE™ is a Creatine that you can trust to deliver real results, fast. Created in air-tight, temperature and humidity controlled "clean-rooms" PHARMAFUSE™ is the purest, cleanest and most powerful Creatine you can buy. Each pure white crystalline particle is hyper-particulated to less than the width of a human hair, an incredible 70 microns in size! How small is a micron? One millionth of a meter, or 25,000th of an inch!**RECOMMENDED USAGE**

Combine with 4 oz. of cold water per scoop and mix thoroughly in blender. (Therefore, 4 scoops will be mixed with 16 oz. of water and 2 scoops will be mixed with 8 oz. of water). For optimum mass gain results, it is recommended to consume QUICKMASS® twice daily for an 8 week period.*

Rapid Mass Gain Phase™

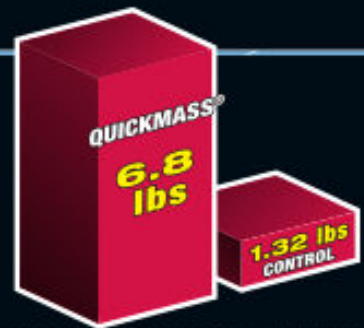

4 level scoops of QUICKMASS® 2-times per day, take the first serving between your first and second meal; and your second serving immediately following training. Rapid Mass Gain Phase™ is ideal for those looking to put quality mass on fast.*

Mass Maintain Phase™

Two level scoops of QUICKMASS® 2-times per day, take the first serving between your first and second meal and your second serving immediately following training. The Mass Maintain Phase™ is ideal for those who have already completed the Rapid Mass Gain Phase™ and have reached their target weight, but now want to maintain their gains.*

Anabolic Rebound Phase™ - EXTREME - Advanced Users ONLY

Following a prolonged contest preparation phase (limited calories combined with intense cardio/resistance training), use a 3-scoop serving between meals 1 and 2, 3 scoops immediately following training and 3 scoops before bed. If you are training twice daily, your first 2 servings should be consumed following training.

**GAIN IN TOTAL BODY MASS OVER 8 WEEK PERIOD**

In a GOLD-STANDARD 8 week study performed at California State University, test subjects consuming the nutrient equivalent in 2 servings of QUICKMASS® daily, gained an average of 6.8 lbs of Total Body Mass.
