

Suggested Usage: For children and adults, take 2 chewable softgels 1 to 2 times daily with food, or as directed by your healthcare practitioner. **Supportive but not conclusive research shows that consumption of EPA and DHA omega-3 fatty acids may reduce the risk of coronary heart disease.**

The natural fish oil concentrate used in this softgel is manufactured under strict quality control standards. It is tested to be free of potentially harmful levels of contaminants (i.e. mercury, heavy metals, PCB's, dioxins, and other contaminants).

***This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

Caution: Consult physician if pregnant/nursing, taking medication, or have a medical condition. **Keep out of reach of children. Do Not Feed to Pets.**
