**Kava Cool Complex<sup>TM</sup>** promotes  
emotional well-being. Kava is nature's  
mood elevator.\*

**Suggested Use:** Take one softgel with  
water as needed.

**Caution:** Do not use if you have or had liver  
problems, frequently use alcohol, or take  
medication. Stop use and see a doctor if you  
develop these symptoms: unexplained fatigue,  
abdominal pain, loss of appetite, fever, vomiting,  
dark urine, pale stools, yellow eyes or skin. Not  
for use by persons under 18, during pregnancy,  
while nursing, or with alcohol. Excessive use or  
use with products that cause drowsiness may  
impair ability to operate vehicles or dangerous  
equipment.

**Notice:** Do not use this product while taking any  
prescription drug(s) without the advice of your  
prescribing physician. Avoid excessive exposure  
to UV irradiation (e.g., sunlight; tanning) when  
using this product.
