MOUTH TONIC™

RESTORES AND MAINTAINS
ORAL HEALTH*

- Promotes healthy gums and oral tissues*
- Stimulates circulation in and regeneration of mouth linings*
- Supports healthy tissues with dentures, splints, braces or bridge use*
- Use with water pick to maintain periodontal health*
- Highly concentrated

The mouth is naturally teeming with bacteria. The mucous lining inside the mouth is the first line of defense. It protects deeper tissues against the effects of hot liquids or food abrasions and replaces damaged cells with healthy ones. Mouth Tonic™ supports the production of healthy oral tissues and promotes the regeneration of mouth linings.*

- First response for mouth and gum challenges*
- Rejuvenates and firms gingival and periodontal tissues*
- Ideal for abrasions caused by denture, splint, brace or bridge use*

Suggested Use:
Apply with cotton swab twice a day. Swallow. Do not rinse. If stinging occurs, dilute with water.

Water Pick Use:
Add 30 drops to tray.
