

Bolsters Your Immune System*

Defend & Resist Complex features standardized extracts of echinacea, black elderberry, and larch tree. The immunoactive polysaccharides and polyphenols in these extracts, including anthocyanidins and arabinogalactans, stimulate the body's natural resistance during seasonal changes.* Zinc helps support healthy immune function. Use to supercharge the immune system when you start to feel the need.* Swallow, chew, or drink as a tea.

Caution: If pregnant or nursing, consult your physician prior to use.
Gluten free. No artificial flavors, sweeteners, or preservatives added.
